

# Evelallah

## Türkçe - English

Rüyamda dün gece seni gördüm  
Dağlara taşlara seni sordum  
Hayırdır dedim hayra yordum  
Gördüm sordum yordum evelallah

Last night I saw you in my dream  
I asked the mountains and the stones about you  
What's up I said, I interpreted it favorably  
I saw I asked I interpreted with the help of god

Haberimi uçurun nazlı yare  
Yüreğim yanıyor pare pare  
Lokman Hekim gelse bulamaz çare  
Yare pare çare evelallah

Send my message to my shy love  
My heart is burning in pieces  
If Lokman Hekim comes he can't find a cure  
To my love in pieces cure with the help of god

Deli gönül uçtu haydi evelallah  
Helalim ol kız gel evelallah

The crazy heart flew away come on with the help of god  
Be my lawful spouse girl come with the help of god
