Beni çok sev

Türkçe

English

Bir kavga nasıl da hoyrat
Savaşırken, savrulurken büyüttü hayat
Ben sensiz yapayalnızdım
Suyum oldu, aşım oldu ama aşksızdım

(how can a fight be so wild)
(while fighting, driven away, life was amplified)
(without you I was all alone)
(I had water, I had food, but not love)

Bir vurgundu geçtiğim yollar
Düşe kalka yaşanmış, öğretir yıllar
Ben sensiz her şeye sustum
Koca, dünya dönüyordu içinde yoktum

(the paths I walked were intoxicating)
(it's been very difficult, the years teach)
(without you I was silent about everything)
(man, the world was spinning and I wasn't in it)

Sevdanı bulmak yıllar sürdü
Hoş geldin gönlüme, kaderim güldü

(it took years to find your love)
(welcome my heart, my destiny smiled)

Tut elimden beni çok sev
Kimseye verme
Seveceksen ömürlük sev
Bir günlük sevme
İyi günde kötü günde
Sakla göğsünde
Sen bu kalbe iyi geldin
Benden hiç gitme

(take my hand, love me very much)
(don't give me to anyone)
(if you are gonna love me, love me all your life)
(don't love me on a daily basis)
(in the good and in the bad days)
(keep me in your breast)
(you are good for this heart)
(don't ever leave me)

Bir sabahsız geceydi ruhum
Gün misali gözlerinde güneşi buldum
Bir dertli rüzgardım, estim
Umudum sen, huzurum sen
Yeniden doğdum

(my soul was a night without morning)
(like the day, I found the sun in your eyes)
(I blew like a sorrowful wind)
(you were my hope, you were my comfort)
(I was born again)
