

Yap bi gzellik - Tarkan

Trke - English

Koyunca geceleri bařımı yastıĝa
Uyku dřman kesiliyor bana
Parampara daĝıldım
Toplayamadım bir daha
Olamadık ki hakim řu dilimize
Gölge ettik saadetimize
Gittin ya öfkenle kol kola
O an yıkıldım yere

When I put my head on the pillow at night
Sleep is like an enemy for me
I am in pieces I am scattered
I couldn't gather myself again
We couldn't do it, control our tongues
We stood in the way of our happiness
You went away arm in arm with your rage
In that moment I got broken against the floor

Sen de zlyorsun biliyorum
Piřmansın ama
Geri adım attıramıyorsun gururuna

You are also sad, I know
You are sorry but
You don't take a step back because of your pride

Yap bi gzellik be
Gel kon hadi kalbime
Dn kavuřalım, p barıřalım
Kumrular gibi yine koklařalım

Do something nice
Come, come on, land in my heart
Come back, let's meet, kiss, let's reconcile
Let's neck again like turtledoves

Affedelim gitsin
Bu ayrılık bitsin
Tatlı tatlı gel konuřalım
Gel de ařkın gnln alalım

Let's forgive and let it go away
That this separation ends
Come and let's talk sweetly
Come and let's make it up with love

Dn kavuřalım, p barıřalım
Tatlı tatlı gel konuřalım
Dn kavuřalım, p barıřalım
Gel de ařkın gnln alalım

Come back let's meet, kiss, let's reconcile
Sweet, sweet, come and let's talk
Come back let's meet, kiss, let's reconcile
Come and let's make it up with love
