

## Sorma kalbim

Türkçe  
English

Sen önce tanı, bil kendini  
Sarıl da kalbine  
Sonra beni sev, dedi

(identify you first, know yourself)  
(embrace your heart)  
(and love me then, she said)

Hepimiz, yalnızız bu yolda  
Hayat denilen oyunda  
Önce seni sonra beni bul dedi

(everyone, we are alone along the way)  
(in this game called life)  
(find you first, then me, she said)

Kırılma yapma kalbim darılma  
Nedeni var herşeyin  
Suçlu sorumlu arama

(don't break, don't do it, my heart, don't sulk)  
(there is a reason for everything)  
(don't look for the guilty and the responsible)

Sorma, sorma kalbim sorma  
Bilirsin sen aslında  
Yok ki kaybeden aşkta

(don't ask, my heart, don't ask)  
(actually, you know)  
(that there is no losing in love)

İçime, süzülür gizlice  
Mahsun gözyaşlarım  
Sessiz kalırım haklı gidişine

(they filter secretly inside of me)  
(my tears of sadness)  
(I remain silent, your departure is justified)

Dedi ki yalnızız bu yolda  
Ömür denilen rüyada  
Sen sen ol tutsak etme aşkı zamana

(she said that we are alone along the way)  
(in this dream called life)  
(mind yourself, don't make love a prisoner to time)
